18 unsafe both for its intended use or for reasonably foreseeable misuses.

19 38. Defendants **BERNZOMATIC CORPORATION, WESTERN INDUSTRIES,**  
20 **INC., WORTHINGTON INDUSTRIES, INC., WORTHINGTON CYLINDERS;** and **DOES**

2 **Bernzomatic 16 ounce MAPP Gas Torch (ID#:5D48E)** was a consequence of  
3 inappropriate and/or improper material selection, and/or inappropriate and/or improper

18 and helplessness, causing severe anguish, depression, anxiety, pain, humiliation and  
19 suffering from both physical and mental standpoints. Plaintiff is informed and believes  
20 and thereupon alleges that the injuries will result in some permanent disability to the  
21 plaintiff, all to plaintiff's general damage in an amount which will be shown according to  
22 proof at the time of trial. Since the subject incident occurred at 2900 Jennings Street,  
23 San Francisco, California 94124, this Superior Court has proper jurisdiction over the

28 expenses, the exact full amount of which is currently unknown but which will be shown

1 according to proof at the time of trial.
